EDITION TWO

## STILL NEED TO REGISTER?

# WE WANT YOU!

### On-Line Registration: via [www.Active.com](http://www.Active.com).

Active.com is a widely known and used athletic event registration website. If you have never used this site before, you will have to set up an account with Active. Setting up an account is free, and you only need to do it once. Active.com will add a small fee to the registration cost to use the website. There are several benefits of using Active.com:

- 1) Convenience— Register from the comfort of your computer chair!
- 2) Seamless Paper Trail— We receive an e-mail notification every time someone registers through Active. The information you provide also goes directly to the timing company. No paperwork changes hands, and registration is faster and more accurate.
- 3) Active.com Takes Plastic— If you want to use a credit or debit card to pay for your entry (and shirts/hats/pins) you'll need to register online, because on Race Day we're cash and check only.

**Paper Registration:** We realize online registration isn't for everybody. You can download the entry form from our website, or use the one attached to this newsletter. Simply fill it out, include a check, and either mail it to the address at the bottom of the form, drop it off in the collection box located at the Fitness Center at the Denver Federal Center, or hand it to any Steering Committee Member.

**Race Day registration:** May 19th, but the entry fee goes up to \$10.

Remember, team entries must be received as a group.
